## ABOUT CARDO

Cardo Systems is a world leader in wireless motorcycle communications - a market it invented in 2004.

Cardo has been reinventing the market ever since with the introduction of long-range intercom in 2009, Dynamic MESH Communication in 2015, Natural Voice Operation in 2018, and Sound by JBL in 2019. The company controls a leading share of the industry and sells its products to avid motorcyclists in over 80 countries.
