

MOTORBIKE HOLDER FOR IPHONE 11-XR-11 PRO-X-XS-11 PRO MAX-XS MAX

The dedicated holders allow you to attach your smartphone to the handlebars of your motorbike and guarantee maximum protection for your phone from bumps, falls and the weather throughout your journey.

The waterproof holders for iPhone have a very strong outer case and an internal adapter in shockproof silicone to protect your smartphone when travelling by motorbike. The support bracket with safety closure can be rotated 360° to find the best position for your phone.

All your smartphone functions, including the touch screen, camera and home key, can be used without having to take it out of the case.
